Welcome to the RTS community!

As the summer winds down, we are delighted that you will soon be joining us here at RTS Orlando.

So what can you expect upon your arrival to Orlando? Well that’s part of what this packet was designed for. We have put together some information and guidelines to assist you as you prepare, both logistically and spiritually, for your transition into seminary life.

As you read, we hope that this information will be a great resource for you as you follow God’s calling to Orlando. Great friends and great memories await you here, so use the information in this packet to maximize your transition experience.

The Seminary as a Place of Spiritual Formation

**Spiritual growth is at the core of your time in seminary.** Above all else, our hope is that you seek to love the Lord more and follow his commands more willingly during your time here. Classes will often help you understand how to do that, but no one can make you grow in Christ. You must, then, have a willing and humble heart that seeks to listen, understand, and apply what you learn in seminary. In that vein, here are a few useful reminders:
Spiritual growth should be a vital part of your experience at RTS.

Relationships, study, and work all have the glory of God as their goal.

Community aids and encourages your spiritual growth.

Relationships: The Foundation of a Spiritual Community

Relationships form the basis for spiritual growth. Your relationships to God, the faculty, other students, and the local church are all foundational to maximizing your seminary experience and we want you to form and nurture key relationships that will last a lifetime. There are numerous opportunities to develop your connection to the students, faculty, and the church both during orientation and throughout the school year.

Students: Student relationships are highly significant, and we will provide opportunities to facilitate your meeting other new students, as well as some veteran second- and third-year folks.

Faculty: The Lord has blessed us here at RTS with a diverse group of godly professors and we encourage you to get to know them during your time here.

Church: The seminary is no substitute for the Church of Jesus Christ! Plugging into the local church is essential to your time here. Therefore you are encouraged to settle quickly into a local church and to employ your gifts there in any available area.
Prayer, Meals and Chapel: Worship & Fellowship in God's Grace

We structure Chapel services as a place for our learning community to grow in affective and liturgical ways, rounding out the classroom experience. We construct chapel to be the mid-point and highlight of the week, a time to rest in the Lord and offer him our hearts while receiving his grace.

Soon after chapel, we eat a meal together in the student commons, a time we call Community lunches. Dialogue is lively and the time is informal ... sometimes you learn the most in settings like these when you can interact with Christian brothers and sisters.

In addition, regular volunteer prayer opportunities are offered for the seminary community. Sometimes these are organized by staff or faculty, and some are organized by students. Either way, prayer binds our hearts together before the Lord and reminds us to listen to the Spirit.

So get excited and prayerfully consider how the Lord would change you and use you to encourage and edify the other students at RTS. If you have any questions concerning moving in, registration, housing, jobs, or anything else at all, please feel free to contact the Student Life office at 800.752.4382. We look forward to seeing you!
