A mind for truth. A heart for God.
**FOUNDING**

In June 1963, five ministers met in a Memphis hotel room to pray about the need to establish a new seminary. At that time, no seminary in the southeastern United States was committed both to Reformed theology and to the Bible as God’s inerrant Word, the final authority for faith and life. When the meeting ended, the seed that would become Reformed Theological Seminary had been planted.

In the fall of 1966, RTS opened its doors for resident studies in Jackson, Mississippi. On September 6, Dr. C. Darby Fulton, former Executive Secretary of the Board of World Missions of the Presbyterian Church in the United States, delivered an address entitled “The Relevancy of the Gospel” at the first convocation.

After operating for more than twenty years in Jackson, it became apparent that opportunities for theological education were nowhere more evident than in Orlando, Florida. In the fall of 1989, Reformed Theological Seminary opened the Orlando campus. A third campus was begun in Charlotte, North Carolina, with a full schedule being first offered in the fall of 1993. In 1993, RTS began offering courses in the greater Washington DC area. In 1996, an extension was begun in the Atlanta area. In 1999, RTS began offering courses through distance education. In 2008, Sao Paulo, Brazil, was fully approved as a degree-granting site in conjunction with the Andrew Jumper Graduate Center at MacKenzie University.

RTS has two additional sites at which a student may earn up to 49% of the MAR degree. These two sites are Memphis, Tennessee, and Houston, Texas, which were approved in 2008 and 2010, respectively. As the Lord leads, RTS may seek degree-granting status for these two locations.

Therefore, RTS has seven degree-granting campuses: Atlanta, Georgia; Charlotte, North Carolina; Jackson, Mississippi; Orlando, Florida; Sao Paulo, Brazil; Washington DC; and Global Education (U.S. and International). RTS has two partial degree campuses: Memphis, Tennessee, and Houston, Texas.

**DISTINCTIVE FEATURES**

RTS’ primary theological distinctives are a commitment to historic Reformed theology and the Bible as God’s inerrant Word.

RTS was established to provide serious, realistic training for ministry so that people would be won to Christ and built up in the faith, resulting in healthy, growing churches and a perceptive application of the Bible to all facets of life.

Since the Bible is the Word of God, it is the basis for the total curriculum. Students are equipped with the necessary skills to understand and teach the Scriptures, developing, above all, a burning desire to know and do the will of God as revealed in the Old and New Testaments, for Reformed theology emphasizes a willingness constantly to conform all of life to the Word of God.

The seminary recognizes that there are evangelical brothers and sisters in Christ within various denominations and Christian organizations who hold views that differ from RTS’ distinctives. While committed to fulfilling its purpose and distinctives, the seminary resolves to maintain openness to and appreciation for Christians in differing denominations and organizations with a loving and winsome spirit, thus contributing to the purity and the unity of the Christian community and witness.

Reformed Theological Seminary is free from denominational control. All who are associated with it, however, are individually under the jurisdiction of the various church courts of the denominations of which they are members.

To ensure that the original purpose and doctrinal distinctives of the seminary are maintained, each member of the Board of Trustees, Leadership Team, and faculty is required initially and annually to subscribe to the following Statement of Belief and Covenant as set forth in the seminary’s bylaws:

Believing that there is but one only, the living and true God, and that there are three persons in the Godhead,
the Father, the Son and the Holy Ghost; and that these three are one and the same in substance, equal in power and glory, and with solemn awareness of accountability to Him in all that we feel, think, say and do, the undersigned engages in and subscribes to this declaration:

1. All Scripture is self-attesting and, being truth, requires the human mind wholeheartedly to subject itself in all its activities to the authority of Scripture complete as the Word of God, standing written in the sixty-six books of the Holy Bible, all therein being verbally inspired by Almighty God and therefore without error.

2. Reformed theology as set forth in the Westminster Confession of Faith and the Larger and Shorter Catechisms as accepted by the Presbyterian Church in the United States of America as its standard of doctrine at its first General Assembly in 1789 is the system of doctrine taught in Scripture; and, therefore, it is to be learned, taught and proclaimed for the edification and government of Christian people, for the propagation of the faith and for the evangelization of the world by the power of the gospel of our Lord Jesus Christ.

3. And I do solemnly promise and engage not to inculcate, sanction, teach or insinuate anything that appears to me to contradict or contravene, either directly or implicitly, any element of that system of doctrine.

4. NOW THEREFORE, the undersigned in the presence of God, states and signifies that he consents, agrees, and binds himself to all of the foregoing without any reservation whatsoever, and that he further obligates himself immediately to notify in writing the trustees should a change of any kind take place in his belief and feeling not in accord with this statement. Amen.

Reformed Theological Seminary is a Mississippi not for profit corporation. The Orlando campus of RTS is incorporated in the State of Florida and operates as the “Reformed Theological Seminary of Florida, Inc.”
**RTS Purpose**

The purpose of RTS is to serve the church in all branches of evangelical Christianity, especially the Presbyterian and Reformed family, by preparing its leaders, with a priority on pastors, and including missionaries, educators, counselors, and others through a program of theological education on the graduate level, based upon the authority of the inerrant Word of God, the sixty-six books of the Bible, and committed to the Reformed faith as set forth in the Westminster Confession of Faith and the Larger and Shorter Catechisms as accepted by the Presbyterian Church in the United States of America as its standard of doctrine at its first General Assembly in 1789. This program shall be characterized by biblical fidelity, confessional integrity, and academic excellence, and committed to the promotion of the spiritual growth of the students. The breadth of this ministry will include multiple campuses and extensions as led by the Lord.

**RTS Mission**

The mission of Reformed Theological Seminary is to serve the Church by preparing its leaders, through a program of graduate theological education, based upon the authority of the inerrant Word of God, and committed to the Reformed Faith.

**RTS Vision**

Reformed Theological Seminary exists to glorify the Triune God and to serve His Church in all branches of evangelical Christianity, especially Presbyterian and Reformed churches, by providing Reformed graduate theological education that is globally accessible. RTS equips its students for ministry, primarily through pastoral preparation, to be servant leaders marked by “A mind for truth, A heart for God.”

**RTS Core Values**

**Biblical Integrity**

RTS submits to the authority of the sixty-six books of the Bible and is committed to a perceptive application of the Bible to all of life. This primary commitment of biblical integrity and its derivative world view informs every part of our training program and the development of our students for ministry. RTS faculty understand and teach biblical truth from a Reformed perspective as set forth in the Westminster Confession of Faith and Catechisms.

**Christian Nurture**

RTS seeks to foster spiritual growth among our students, faculty, and staff, our communities, and in our constituent churches. We endeavor to provide holistic preparation for church leadership. The priority for leadership development at RTS is pastoral training. In addition, RTS provides training for missionaries, educators, counselors, and other ministries for which the church may find need.

**Faithfulness in All Things**

RTS strives to be faithful to God in all we do by bringing forth our best effort to the glory of God in all areas of campus life: academic programs, spiritual development of our students, and the professional development of faculty and staff – as well as in our administrative organization, institutional relationships, and communications.

**Missional Commitment**

RTS equips leaders to take the Gospel of Jesus Christ into the whole world in the power of the Holy Spirit in order to proclaim that salvation is only by God’s grace through faith alone in Christ alone, and in order to disciple the nations into maturity in Christ. Our goal is that the world may worship the true God, serving him everywhere in His creation, and that the nations may enjoy His presence and restoration. In fulfilling our Missional Commitment, RTS rejoices in cooperating with multiple denominations and organizationally
diverse ministries who share in the vision of advancing the Kingdom of God, and who celebrate the diversity of culture, language, and ethnicity.

PROFESSOR ORDINATION

Reformed Theological Seminary is an independent institution, free from control by any particular denomination. RTS welcomes students from many denominational affiliations, but historically it has prepared men and women predominantly for ministry within conservative Presbyterian and Reformed churches. The Board, faculty, and senior staff are individually under the jurisdiction of the various church courts of the denominations of which they are members, and those affiliations are also largely conservative Presbyterian and Reformed churches.

While there is some diversity on a number of issues among the Board, faculty, staff, students, and the various constituencies RTS serves, the majority of those individuals associated with RTS believe that the Bible teaches that the ordained pastorate is reserved for men. At the same time RTS fully acknowledges and appreciates the important roles that women serve as co-laborers in the ministry of the church.

RTS in its historical practice has selected professors in the Biblical Studies, Theology, and Practical Theology departments who are ordained pastors (or who are qualified by RTS’ predominant denominational constituencies as ordainable), as they minister the Word of God to the student body and model pastoral leadership. Given the theological position of the Board and constituencies, RTS will continue to limit professors who teach Biblical Studies, Theology, and Practical Theology to men. Exceptions to this may and have included courses in language-grammar, speech, culture, missiology, etc. Professors teaching in the Counseling programs and librarians with faculty status are also open to both men and women.

It should be noted that all degree programs are open to all qualified students, both men and women.

LOCATIONS

RTS is a multi-campus seminary, committed to making a variety of theological, biblical, and ministry preparation programs available through the most accessible and flexible ways possible. We currently have the following campus locations.

For campus addresses and phone numbers, see the Directory on page 92.

Jackson, Mississippi

The Jackson campus includes 100 acres graced by 19 major buildings with apartments for married students and accommodations for single students. The seminary library has one of the finest theological collections in the region. Tennis courts and a gymnasium on campus provide recreational facilities for students and their families. In addition to student apartments on campus, the seminary also owns over 75 townhouses near the campus. The spacious townhouses include fireplaces, washers, and dryers. A swimming pool is available for use by residents.

Orlando, Florida

The Orlando campus opened new state-of-the-art campus facilities in 1999 on 65 acres of land in suburban Oviedo. Five miles north of the University of Central Florida, the Orlando campus is equipped with classrooms, a library, and beautiful chapel. The surrounding community provides attractive housing opportunities, which include garden apartments, townhouses, and condominiums. The seminary also owns condominiums, located less than four miles from campus, which are available for rent.

Charlotte, North Carolina

The Charlotte campus is ideally located in the heart of southeast Charlotte, with excellent access to the airport, the interstate system, and the bulk of the residential areas of Charlotte. The campus is composed of five buildings with over 50,000 square feet of space, providing ample classrooms, library, and office areas, all with
full wireless access. The beautiful, tree-shaded setting is excellently suited for a campus, offering abundant parking and plenty of open space to provide a campus atmosphere. Many affordable and attractive apartment complexes are available in the area.

Washington DC
The Washington DC campus is conveniently located near Tysons Corner in McLean, Virginia. The campus has easy access from I-495 and approximately 1/8 mile from Washington Metro’s Silver Line.

Atlanta, Georgia
Atlanta’s campus is located near I-75 and I-285 in Marietta, Georgia. The 25,000 square-foot well-appointed structure provides ample room for current and future needs of the campus.

Memphis, Tennessee
The classes for the Memphis extension campus are held at Second Presbyterian Church of Memphis.

Houston, Texas
The classes and administrative offices for the Houston extension campus are held at Christ Evangelical Presbyterian Church just off of Katy Freeway.

Global Education (U.S. and International)
RTS Global Education administers the online degree programs of RTS, serving students who are looking for up to 100% online education. The physical location of RTS Global Education is on the RTS campus in Charlotte, North Carolina.

STUDENT FELLOWSHIP
The student activity fee, paid each semester, funds a variety of student activities throughout the year. The Student Cabinet, consisting of officers and representatives from the student population, conducts various campus activities and conferences.

GREAT COMMISSION SOCIETY
At the Jackson campus, the Great Commission Society (GCS) is committed to bringing about a balanced integration of spiritual growth, evangelism, and biblical missions in the lives of men and women training for ministry. A cabinet chosen from the student body handles the regular business and special activities sponsored by GCS. All members of the student body are included as members of the GCS.

The overall purpose of GCS is to help RTS students, their families, faculty, and staff focus on global missions and God’s concern for non-Christians. Special seminars, prayer meetings, chapel services, and other activities are sponsored by GCS. An annual missions or spiritual life conference is held each fall semester.

CHAPEL
Chapel services are conducted weekly to provide spiritual enrichment for the seminary community. Chapel is an integral part of seminary life and students are encouraged to attend for their own spiritual development and nurture. Prayer groups also meet weekly.

WOMEN IN MINISTRY
This uniquely designed program focuses on the distinctive needs of women students and seminary wives. The program addresses women’s needs through fellowship, ministry training, prayer, and intensive Bible study, while endeavoring to promote joy and confidence in their unique calling to serve Christ.

Faculty wives and other women in the seminary community give direction to this program with the assistance of elected students and student wives. A yearly retreat designed for fellowship, inspiration, and training provides an indispensable experience. Spouses of full-time students may audit classes without charge provided there is room in the class and they have registered with the Registrar. Spouses of full-time students also qualify for special for-credit tuition benefits.
HOUSING

The seminary does not assume responsibility for providing room and board for students. Affordable housing is available in close proximity to each campus. Full-time students on the Jackson and Orlando campuses may rent seminary-owned apartments or condominiums. Housing application forms are available from the offices of the Dean of Students on the respective campuses.

MEDICAL INSURANCE

All full-time students are required to have adequate major medical insurance. Proof of medical insurance is required at registration. International students receiving financial aid are required to have major medical insurance coverage for all dependents listed on form I-20.

For information on a student major-medical insurance plan, see the Admissions office.

PLACEMENT

Placement of graduates is a high priority at RTS. The student affairs office and faculty/staff, both formally and informally, aid students for job placement. Churches, denominations, and parachurch organizations that are seeking pastors, assistant pastors, youth ministers, Christian education directors, counselors, and graduates for other ministry and leadership positions regularly contact the seminary. RTS provides a web-based placement tool for ministries to post open positions.

MASTER OF DIVINITY

DESIGN OF THE CURRICULUM

The M.Div. curriculum is designed as preparation for the pastoral ministry. Concentrated study in three basic areas – Bible, systematic theology, and practical theology – characterizes this three-year program. In addition to preparing for pastoral ministry, the curriculum is designed to aid in the student’s sanctification. For an enumeration of the M.Div. student learning outcomes, see the RTS web page.

Bible courses include the basic structure and content of each book of the Bible along with such details concerning major characters, dates, and places as are necessary. Principles of hermeneutics and exegesis, using the original languages as well as the English Bible, are also included. Students learn to apply Scripture to contemporary circumstances.

Building upon and integrated with a biblical foundation, theology is a major area of concentration. The purpose of this study is to provide the theological and historical foundations, along with current cultural contexts, to understand and live the Christian faith.

The practical theology courses are designed to enable students to develop competence in ministry including preaching, worship, leadership, and individual shepherding. A variety of experiences and instruction enable students to develop methods and styles of ministry suited to their individual gifts. The number of class hours per week may exceed the number of semester hours of credit. Some of the preaching and pastoral course requirements may be adjusted for women and other non-ministerial candidates so as to provide the appropriate preparation and setting for their needs. Women and other non-ministerial candidates will substitute additional elective course hours for the Preaching Labs. These elective courses may include alternative communication labs.

A student attains middler status upon completion of 36 semester hours and senior status upon completion of 72 semester hours. The curriculum is designed to be completed in three years, but many students choose to complete the curriculum in four or more years.

FIELD EDUCATION

Field education is that area of theological education in which the theory of the classroom is tested and applied in the life and ministry of the church. The purpose of field education is to provide opportunities for M.Div. students to exercise and improve their gifts and skills and to equip them with diversified backgrounds of firsthand experience in the service to which God has called them.

Prior to or concurrent with the beginning of the field experience, students are required to take (PT502) Introduction to Ministry (Jackson) or (ST502) Introduction to Pastoral and Theological Studies (Orlando) or (PT536) Field Education Internship (Atlanta, Charlotte, and Washington DC). At the start of their field work, students should register with the Field Education Office, at which time a file of field work for each student will be established. Field work not properly registered with the Field Education Office cannot be counted toward the field education requirement.

The M.Div. degree requires 400 hours of field education experience. Upon completion of this requirement, an evaluation report is to be submitted to the Director of Field Education by a field supervisor (usually a pastor, elder, or evaluation committee). Following submission of this report, the student may register for (PT534) Field Education Seminar. Completion of this seminar marks the completion of the field education requirement.

The field experience credit may be earned as a summer student assistant to a pastor, a student supply in a vacant pulpit, a pastoral internship of nine to fifteen months, a missionary internship, a campus ministry internship, work with a parachurch organization, ministry in a national park, youth ministry, evangelistic ministry in a local church, nursing home chaplaincy, hospital chaplaincy, jail ministry, teaching home Bible classes, or other similar ministries.

GRADUATION REQUIREMENTS

1. M.Div. students normally spend three years in residence in order to complete the required curriculum
for the M.Div. degree, including a total of at least 106 credit hours. At a minimum, M.Div. students must take at least 36 credit hours at the same RTS M.Div.-degree-granting campus. A 2.0 (C) cumulative grade-point average (GPA) is required for all RTS courses taken.

2. The seminary must have on file official transcripts showing that the student holds a baccalaureate degree or foreign equivalent.

3. The student must complete the field education requirements to the satisfaction of the faculty.

4. The conduct and attitude of the student must be satisfactory according to the norms of Scripture and the Westminster Standards.

5. The student must pass the English Bible and Westminster Shorter Catechism examinations.

6. The student must clear all financial obligations to the seminary.

All students expecting to graduate must make formal application for graduation to the faculty through the registrar. The graduation fee will be paid at this time. Ordinarily, degrees will be awarded at the conclusion of the spring semester, but may be granted in December.

**MEANING OF THE DEGREE**

A degree from Reformed Theological Seminary indicates that the graduate has completed the requirements for the course of study. Although the M.Div. degree meets the standard educational requirements for ordination in most denominations, the degree does not certify that the graduate necessarily possesses all the biblical qualifications requisite for the ministry or adheres to the Reformed faith. Graduation from Reformed Theological Seminary with either the M.Div. degree or diploma should not in itself be construed as a recommendation for the ministry.

Ecclesiastical bodies and pulpit committees are responsible for applying their own requirements for ordination to determine the doctrinal soundness, suitability, and readiness for ministry of a particular graduate.

**M.Div. Diploma Without the Degree**

Students without a baccalaureate degree may apply for admission to the M.Div. diploma program. These students must possess the knowledge, academic skill, and ability generally associated with persons who hold the baccalaureate degree. Admission will be restricted to persons with life experience that has prepared them for theological study at the graduate level.

To complete the M.Div. diploma program, the student does not have to take Greek or Hebrew courses. Whether taking the languages or not, the student must complete 106 credit hours for the M.Div. diploma.

Students may transfer from the M.Div. diploma program to the M.Div. degree program. In order to qualify for this transfer, a student must maintain a minimum GPA of 3.0 for the first 36 hours of credit work. When petition is made to transfer from the M.Div. diploma program and into the M.Div. degree program, the student must be in good standing.

A 3.0 GPA does not need to be maintained after transferring into the M.Div. degree program in order to maintain the student’s M.Div. degree status (although normal academic probation policies will apply to M.Div. diploma and M.Div. degree students at all times). Once transferred to the M.Div. degree, the student must complete all Greek and Hebrew course requirements.

**M.Div./M.A. Dual Degrees**

A student may complete the M.A., the M.A. (Biblical Studies), the M.A. (Theological Studies), or the M.A. (Religion) plus the M.Div. degree program in four years with a total of 139 credit hours. A student may complete the M.A. in Counseling plus the M.Div. degree program with a total of 152 credit hours. A student may complete the M.A. in Marriage and Family Therapy and Counseling plus the M.Div. RTS has a variety of Master of Arts programs. Several of these are focused directly on biblical and theological studies. Others use a general understanding of biblical and theological studies as a background to more concentrated study in a specialized field. If a student is full-time, all of these programs are designed to be completed in two years.

For students wishing to take practical theology courses as electives toward an M.A. degree, please note that some of the preaching and pastoral course requirements may be adjusted for women and other non-ministerial candidates so as to provide the appropriate preparation and setting for their needs.

**M.A., M.A. (Biblical Studies)**, **M.A. (Theological Studies)**
These 66 credit hour degree programs integrate biblical, historical, and theological studies with cultural and social concerns. They are designed to strengthen the religious basis for one’s life and work whether in a secular career or a church staff position. The English Bible exam is required.

For the M.A. (Biblical Studies), at least one complete sequence of a language is required. That is, the student must take Greek I, Greek II, and Greek Exegesis, or take Hebrew I, Hebrew II, and Hebrew Exegesis.

**M.A. (Religion)**
This 60 credit hour program is a versatile degree, designed for Christians who desire to bring biblical and theological reflection to bear on a wide spectrum of societal issues in their chosen vocations and avocations.

**M.A. in Counseling**
This program is a 76 credit hour program designed for the person who wishes to work in the specialized field of counseling and who desires an orientation that integrates Christian theology with counseling theory and practice. Biblical and theological studies are integrated with formal, professional education and technical training.

Students enrolled in this two-year (21-month) program must enroll full time. Entrance is granted for the fall semester only. Applications must be received by the Admissions Office by February 1 prior to the fall semester of desired enrollment.

**M.A. in Marriage and Family Therapy and Counseling**
This 67 credit hour degree program is designed for the person who wishes to work in this specialized field of counseling and who desires an orientation that integrates Christian theology with the theory and practice of family therapy. Biblical and theological studies are integrated with formal, professional education and technical training. Theoretical knowledge is also integrated with applied skills through supervised clinical practice. This is a two-year (24-month) program. Continuance in the MFT & Counseling program is contingent upon the student’s intra and interpersonal skills and/or functioning.

In addition to the general admission requirements given in this catalog, applicants for the Marriage and Family Therapy program must submit a GRE General Test score. Applications for the Marriage and Family Therapy program should be received by February 1 for those who wish to enroll in the fall semester.

Graduates will have completed the requirements for associate membership in the American Association for Marriage and Family Therapy.

Because this program is designed to meet the needs of those serving in the social and cultural setting of North America, international students are not ordinarily admitted.

**M.A. (Biblical Studies) / M.A. in TESOL**
This program is offered in conjunction with the University of Central Florida. Students may complete both degrees in two academic years including summers of full-time study. The program provides students with the technical skills for teaching English to speakers of other languages as well as a broad understanding of biblical and theological material. Admission and graduation
requirements of both Reformed Theological Seminary and the University of Central Florida must be met. Contact RTS Orlando for more information.

DOCTOR OF MINISTRY

Jackson • Orlando • Charlotte • Atlanta • Washington DC • Global Education

PROGRAM DESIGN

The Doctor of Ministry program is available in Jackson, Orlando, Charlotte, and Atlanta. RTS also offers a joint Doctor of Ministry degree with the Andrew Jumper Graduate Theological Center, Mackenzie University, Sao Paulo, Brazil. At the Atlanta campus, the Doctor of Ministry program is available in a Korean-language track.

The purpose of the RTS Doctor of Ministry (D.Min.) program is to equip Christian leaders to be more effective in their ministries through advanced study and training (beyond the M.Div. degree) in the theory and practice of a biblically integrated ministry. It is built upon the biblical, theological, and professional foundations of the Master of Divinity degree.

The goal of the RTS D.Min. program is to help produce “theologically reflective practitioners” who learn to think theologically about ministry as a result of taking D.Min. courses while simultaneously serving in ministry. The process of disciplined in-depth reading, integrative writing, and periodic campus interaction, with both RTS faculty and ministry peers, is designed to help bring positive growth in both the Christian leader’s personal life and public ministry.

Requirements include the successful completion of 30 credit hours, which are offered in eight courses (three credit hours each) plus a doctoral project (six credit hours). Normally, students take two to four courses per year; however, a student may take more per year upon written approval of both the D.Min. Director and Academic Dean. The division of hours is indicated below:

Four core courses . . . . 12 hours
Theology of Ministry
Applied Theology
Leadership
Church Growth or Church Revitalization

Four electives . . . . . . . . 12 hours

Doctoral project . . . . . . . 6 hours

30 hours

Each course has three components:
1. Assigned reading of approximately 2,000 pages to be completed before attending the classroom session.
2. A one-week (five days) session of classroom meetings for lectures, reflection, and evaluation.
3. A post-session integration paper growing out of the reading and class work. Written assignments for winter courses should be submitted to the D.Min. office no later than April 30, and assignments for summer courses should be submitted no later than October 31.

An on-campus classroom session is offered in the winter and in the summer each year with at least two courses available during each session. (In the D.Min. Korean-language track, sessions are offered in the winter, spring, summer, and fall terms.) Students ordinarily take four to five years to complete all the program requirements. A maximum of six years is allowed for completion of the program. Doctoral students are required to complete a minimum of one (three-hour) D.Min. course per year until the completion of their course work.

Students may pursue a general ministries track by choosing any four elective courses. Also available are emphasis tracks. A D.Min. emphasis includes three electives and aspects of the doctoral project in the emphasis area. For emphasis options, see the RTS web page (www.rts.edu). These emphases will be listed on the student’s transcript but will not be designated on the student’s diploma.

ADMISSION REQUIREMENTS

Applicants must hold a baccalaureate degree or its foreign equivalent and in addition the M.Div. degree or its educational equivalent (including Greek or Hebrew). Applicants to the D.Min. program who have not completed the requisite Master of Divinity degree from an accredited seminary or graduate school may apply on the basis of having attained the educational equivalent of the M.Div. degree.
DOCTOR OF MINISTRY

M.Div. educational equivalency shall be defined as having completed 92 credit hours of graduate study including 30 hours in historical/theological studies, 30 hours in biblical studies (including Greek or Hebrew) and 15 hours in practical theology studies. Part of the 92 credit hours must include a master’s degree in a theological discipline. Transcripts of prior graduate study will be evaluated by the D.Min. Committee, and applicants will be advised by letter of their standing. In the event that M.Div. equivalency has not been attained, a prescribed program of study leading to M.Div. equivalency will be recommended. This prescribed program may include courses at an RTS campus, distance education, or course work at another seminary.

A minimum 3.0 (B) cumulative grade-point average (GPA) on work toward the M.Div. degree is ordinarily required. Greek or Hebrew is required.

Applicants must have been engaged in a recognized form of professional ministry for at least three years after receiving their Master of Divinity degree and are expected to reflect competence and growth in ministry as a result of their professional experience. (A limited number of students with less than three years experience post-M.Div. may be admitted based on other ministry-experience factors that have prepared them for D.Min. studies.) Students are expected to continue their practice of full-time ministry for the duration of their Doctor of Ministry program.

GRADUATION REQUIREMENTS

All D.Min. students are required to complete 30 credit hours with a grade point average of 3.0 and with no grade below a C (2.0) counting toward the degree. The 24 hours of course work must include four core courses and four elective courses. Also required is a six-credit-hour doctoral project on an approved subject giving evidence of the student’s ability to do independent research and integrate theology into practical ministry. A minimum of 12 hours (4 courses) plus the six-hour doctoral project must be taken on the RTS campus from which the candidate plans to do the doctoral project and graduate. The student may take the other 12 hours on any of our RTS campuses that provide D.Min. courses. Students may transfer a maximum of two 3-hour D.Min. courses from another seminary. (A maximum of four 3-hour D.Min. courses may be transferred from Ligonier Academy of Biblical and Theological Studies.)

The completed doctoral project must be either (1) submitted no later than February 15 and defended successfully before a faculty committee no later than April 15 prior to the expected date of graduation in May, or (2) submitted no later than August 15 and defended successfully before a faculty committee no later than October 15 prior to the expected date of graduation in December.

RTS JOINT DOCTOR OF MINISTRY DEGREE

With Andrew Jumper Graduate Theological Center, Mackenzie University, Sao Paulo, Brazil

The Andrew Jumper Graduate Theological Center (AJGTC) of Mackenzie University, Sao Paulo, Brazil, is an approved “complete degree site” for the RTS Doctor of Ministry degree program, jointly awarded with AJGTC. All course work will be held at the AJGTC at Mackenzie University in Sao Paulo, Brazil. Mackenzie University and the Andrew Jumper Graduate Theological Center are operated and supported by the Igreja Presbiteriana do Brasil (Presbyterian Church in Brazil).

Disclaimer: Reformed Theological Seminary is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award master’s degrees and doctoral degrees. The Andrew Jumper Graduate Theological Seminary is not accredited by the Commission on Colleges and the accreditation of Reformed Theological Seminary does not extend to or include Andrew Jumper Graduate Theological Center, Mackenzie University, or its students.

Although Reformed Theological Seminary accepts certain Andrew Jumper Graduate Theological Center course work in transfer, other colleges and universities may not accept this work in transfer, even if it appears on a transcript from Reformed Theological Seminary.

RTS DOCTOR OF MINISTRY KOREAN-LANGUAGE TRACK

The Korean-language track of the RTS Doctor of Ministry degree mirrors in every respect the existing D.Min. offered by RTS. Students have access to all the libraries of RTS, and in addition to those electronically downloadable over the internet as full texts through participating Korean libraries. On-campus classroom sessions are offered in the winter, spring, summer, and fall each year. Written assignments should be submitted after the course in each term according to the designated due dates. For the Korean-language track of the RTS Doctor of Ministry, doctoral projects must be defended successfully before a faculty committee no later than 60 days before the expected date of graduation in May.

SPECIAL PROGRAMS

ONE-YEAR CERTIFICATE

The one-year Certificate program requires 29 to 32 credit hours, depending on the campus. Normally the Certificate program is a mixture of biblical studies and theological studies; however, it may be tailored more specifically for the student’s needs. Admission requirements for the Certificate program match other masters-degree program requirements, including a baccalaureate degree or its foreign equivalent. Credits earned in the one-year Certificate program may be applied toward the various M.A. or M.Div. degrees.
ACADEMIC POLICIES

ADMISSIONS

The seminary has a non-discriminatory (race, sex, handicap) admissions policy. The school’s policy is to admit students to all the rights, privileges, programs, and activities at the school and to make no discrimination on the basis of race, sex, or handicap in the administration of educational policies, applications for admission, scholarship or loan programs, and extracurricular programs. (There are a few restrictions for preaching labs. See M.Div. Design of the Curriculum, page 14.)

Applications for admission are reviewed for, and admission is granted into, specific programs of study offered by the seminary. Admission to one program of study does not imply admission is being granted to another program of the seminary.

Admission Requirements and Procedures

Applicants to programs of the seminary are evaluated on the basis of academic preparation and potential for ministry. Application for admission should be made at least three months prior to the date of enrollment. New students may enroll in the fall, winter, spring, or summer terms. Applications for admissions can be found at www.rts.edu.

The following materials should be addressed to the Director of admissions:

1. A completed application form.
2. References from three individuals, including the applicant’s pastor.
3. The application fee.
5. A statement of reasons for wishing to pursue a particular degree.
6. Official transcripts from all previous academic work (a baccalaureate degree or its foreign equivalent with a 2.6 cumulative GPA is ordinarily required, under 2.6 may require academic probation).
7. A recent photograph.

Admission is normally granted on the basis of these credentials alone. However the seminary may require a personal interview with the applicant, an entrance exam, the Graduate Record Examination, or a psychological or aptitude test.

Any admitted student who defers enrollment more than one year beyond the initial entrance date must submit another completed application form, the application fee, and other material that may be requested by the Director of Admissions.

Upon acceptance to RTS, a non-refundable deposit is required, which will be credited toward the student’s first-semester tuition.

Degree Requirements for Admissions

For American baccalaureate degrees, RTS recognizes all schools accredited by “regional” accreditors (e.g., Southern Association of Colleges and Schools). For North American master’s level degrees, RTS recognizes all schools accredited by the Association of Theological Schools. Concerning foreign equivalency and other “unaccredited” American schools, all degrees are considered on a case-by-case basis. In these cases, the primary criterion is general compatibility with the standards of the Southern Association of Colleges and Schools and the Association of Theological Schools.

International Students

All international students must establish English language proficiency. RTS provides no testing to meet admission requirements in English language. All international students applying for admission to the M.A., M.Div., or D.Min. programs must submit at the time of application a score of not less than 550 on the paper-based Test of English as a Foreign Language (TOEFL), or not less than 213 on the computer-based TOEFL. The test must include the writing section (TWE), which is included in the September, October, March, and May administrations.
1. To register for the TOEFL/TWE test, applicants may contact TOEFL/TWE SERVICES, P. O. Box 6151, Princeton, NJ 08541-6151, USA; telephone: 609-771-7100; E-mail: toefl@ets.org; Web site: http://etsweb.ets.org.

2. Applicants who score between 550 and 600 on the paper-based TOEFL, or between 213 and 250 on the computer-based TOEFL, may be required to take additional work in ESL or be limited in the number of hours they may take during any one term.

**Student Visa**

The Certificate of Eligibility (I-20) needed for obtaining a student visa for entry into the United States requires certification that the admitted student is proficient in English and has sufficient financial resources to provide for tuition and living expenses. This certification must be on the form I-20 at the time the student appears at the Embassy for a visa. The Admissions Office at the seminary will make certification of English language proficiency based on the scores reported for the TOEFL/TWE.

To demonstrate that the international student has sufficient financial resources, the admitted student must send the completed “Statement of Financial Resources” with attached documentation to the Admissions Office. This should be done as soon as possible after the applicant has been notified that his/her application for admission has been approved. The Admissions Office will make financial certification on the I-20 based on funds on deposit in the student’s account and on pledges of support by individuals, churches, foundations, etc.

**Special Students**

An applicant may apply as a special student rather than applying to a degree program. Special student status allows a maximum of 18 semester hours of master’s-level courses.

All hours earned as a special student may be applied toward a degree. Therefore, it is important to consider carefully the possibility of entering a degree program during your course of study as a special student.

To apply as a special student, the following items should be sent to the Office of Admissions:

1. A completed application form.
2. The application fee.
3. A completed Pastoral Reference form.
4. A statement of Christian faith (see below).
5. An official transcript indicating a baccalaureate degree or its foreign equivalent.
6. A recent photograph.

Concerning the above requirement of a statement of Christian faith, applicants who do not hold to historic and orthodox Christian doctrine may only be admitted as Special Students and may not be admitted to a degree program.

To upgrade from special student status to a master’s degree program, students must apply to a specific master’s degree and submit the remaining application requirements outlined on page 40.

**TRANSFER CREDITS**

For master’s level and doctoral level transfer of coursework, RTS recognizes all North American schools accredited by the Association of Theological Schools. Concerning foreign equivalency, all degrees and coursework are considered on a case-by-case basis. Concerning other American schools not accredited by ATS, all coursework is considered on a case-by-case basis as advanced standing. (See “Advanced Standing” section for more information.) In these cases, the primary criterion is general compatibility with the standards of the Southern Association of Colleges and Schools and the Association of Theological Schools. In all transfer of credit situations, RTS reserves the right to accept or decline credits in particular cases.

Students who desire to transfer credit from other graduate institutions should submit a transcript of their coursework and a catalog containing the course descrip-
tion. If courses apply to the RTS curriculum, credit may be granted for work completed. No credit will be given for work that received a grade below C (2.0). Normally, no credit will be given for work completed more than seven years prior to matriculation.

Grade point averages on RTS transcripts will be determined on the basis of work done only at Reformed Theological Seminary.

The maximum allowable transfer of credits is as follows:

A. For D.Min., a maximum of 6 D.Min. credit hours (12 D.Min. credit hours are allowed from Ligonier Academy of Biblical and Theological Studies)
B. For M.Div., a maximum of 52 master’s credit hours
C. For M.A./M.A.B.S./M.A.T.S., a maximum of 32 master’s credit hours
D. For M.A.R., a maximum of 29 master’s credit hours
E. For M.A.M.F.T.C. and M.A.C., normally few transfer credits are allowed due to the unique nature of these degrees.

**ADVANCED STANDING**

Advanced Standing is distinct from transfer of credits and refers to decisions about a student’s competence when no accredited-graduate transcripts are presented. Advanced standing with credit reduces the number of hours required for the degree. Advanced standing without credit exempts a student from some courses but does not reduce the total number of credits required for a degree. RTS recognizes three main types of advanced standing with credit.

Advanced standing with credit may be given on the basis of oral or written assessment. The maximum of advanced standing for an M.A. student is 10 hours, and the maximum for an M.Div. student is 12 hours. These maximums include a combination of both advanced standing with and without credit.

Most often, this is related to the language exemption. A student may be exempted out of Greek 1 (3 hours), Greek 2 (3 hours), Hebrew 1 (3 hours), and Hebrew 2 (3 hours) by taking exemption exams for any one or all of these courses. The maximum advanced standing with credit that a student may receive is six hours for language exemptions. If the student was exempted out of more than six hours of language exemptions, the remainder of hours would be advanced standing without credit (up to four hours for an M.A. student and up to six hours for an M.Div. student).

RTS has a process to evaluate graduate schools that are not currently accredited by ATS to ensure graduate-level equivalency. Advanced standing with credit may be given for graduate courses taken at these “recognized” schools. If courses apply to the RTS curriculum, a maximum of 25% of the RTS degree-program hours may be given.

RTS has several agreements with well-known ministries wherein courses given by these ministries have been approved as equivalent to graduate-level coursework. A student may be given advanced standing with credit for this coursework, and the work may be applied to all M.A. and M.Div. degree programs, excepting counseling degrees. There is a maximum of 15 hours that may be given.

A student may receive advanced standing from more than one of the above categories, but in no case will more than 25% of the RTS degree-program hours be awarded as advanced standing.

In all situations, the primary equivalency criteria for advanced standing with credit is general compatibility with the standards of the Southern Association of Colleges and Schools and the Association of Theological Schools. In addition, RTS reserves the right to give or decline advanced standing in particular cases.

Advanced standing without credit may be given based on either prior unaccredited academic work or significant ministerial and/or life experience.

A student may apply for advanced standing by contacting the local campus Registrar.
RESIDENCY REQUIREMENTS

To ensure good educational quality, students are required to have a certain percentage of their credit hours taken at the same RTS degree-granting campus. These minimum requirements are as follows:

A. For D.Min., a minimum of 12 credit hours plus the doctoral project must be taken at the same RTS D.Min.-degree-granting campus.

B. For M.Div., a minimum of 36 credit hours must be taken at the same RTS M.Div.-degree-granting campus.

C. For M.A./M.A.B.S./M.A.T.S., a minimum of 34 credit hours must be taken at the same RTS M.A./M.A.B.S./M.A.T.S-degree-granting campus.

D. For M.A.R., a minimum of 31 credit hours must be taken at the same RTS M.A.R.-degree-granting campus.

E. For M.A.M.F.T.C. and M.A.C., normally all credit hours must be taken at the same RTS M.A.M.F.T.C. or M.A.C.-degree-granting campus due to the unique nature of these degrees.

The above percentages apply to both RTS residential campuses and RTS Global Education students. RTS Global Education offers the M.A.B.S., M.A.T.S., and M.A.R. degrees through distance education.

In situations that involve transfer credits and advanced standing, the following additional minimums relate to the D.Min. and M.Div.:

A. For D.Min., a minimum of 12 credit hours plus the doctoral project must be taken at the same RTS D.Min.-degree-granting campus and a total of 24 credit hours somewhere in the RTS system. (See Ligonier exception in “Transfer Credits” section.)

B. For M.Div., a minimum of 36 credit hours must be taken at the same RTS M.Div.-degree-granting campus and a total of 54 credit hours somewhere in the RTS system.

The grade “I” indicates that the work required for the course was not completed. It is given only when special, extenuating circumstances (such as illness) prevent the student from completing the work or taking the examination. A written request for an extension must be submitted prior to the due date of the work concerned. If the request is granted, it remains the responsibility of the student to complete all work for the course as soon as possible. In any case, an “I” grade must be removed within the extension time granted; otherwise it will be changed to “F.”

The grade “W” indicates that a student has withdrawn from a course after the drop deadline. This grade is granted by the academic dean only in extenuating circumstances.

The grade “P” is only used as a Pass/Fail option and is limited to the Field Education course.

A grade of C or better is required to continue in the sequence of language courses (does not apply to RTS-Charlotte).
ACADEMIC POLICIES

If a course is retaken, the original grade remains on the transcript and is included in the GPA.

For all RTS courses that have exceeded standard degree time limits and are now ineligible to be applied to a degree, these courses will be shown on a separate transcript and will not be applied to the student’s GPA.

COURSE LOAD

A normal course load is 12 to 18 credit hours for the fall and spring semesters and two to four credit hours for the winter session. The permission of the Academic Dean must be obtained prior to registering for 19 or more credit hours either for the fall or the spring.

Master’s students who take fewer than 12 credit hours of academic work in the fall or spring semester are classified as part-time students.

D.Min. students who take six credit hours of academic work in a calendar year are classified as full-time students. D.Min. students are also considered full-time while making progress in the doctoral project phase.

Concerning individual course expectations, normally each RTS course is designed for two hours of work outside of the classroom for every hour in the classroom.

DROP/ADD DATES

Students are permitted to add courses after the first day of class if done so by the add date listed in the academic calendar of the respective campus. An add fee will be charged after the first day of class. Courses may be dropped without academic penalty if done so by the drop date listed in the academic calendar of the respective campus. A drop fee will be charged after the first day of class. No courses may be added or dropped after the deadlines. For refunds related to courses dropped, see the refund policy.

ENGLISH BIBLE AND CATECHISM REQUIREMENTS

Successful completion of a comprehensive examination in biblical content is required prior to graduation for the M.Div., M.A., M.A.B.S., M.A.T.S. degrees. This examination may be repeated until it is passed. A grade of C is considered a passing grade.

All M.Div. students are required to memorize the Westminster Shorter Catechism. Testing is taken in several segments and each segment may be repeated until it is passed.

DIRECTED STUDY COURSES

Students may request permission to take an independent, directed study course under the supervision of a professor. For master’s courses, a directed study requires a minimum of 1,000 pages of reading per credit hour, a project/paper, and at least six substantive interactions between the professor and the student. All directed study courses must be approved by the professor and the Academic Dean. These courses must be completed within the semester in which they are started. The normal tuition rate is charged for all directed study courses.

Directed study courses usually are offered to cover subjects that are not included in the published curriculum. Regularly scheduled elective and required courses may be taken by directed study upon the discretion of the professor and Academic Dean only when a course is required for graduation and cannot be worked into a student’s schedule.

DEGREE TIME LIMITS

Students enrolled in the master’s degree programs have seven years to complete the degree requirements. Students enrolled in the D.Min. degree program have six years to complete the degree requirements. After the maximum time limit has been reached for a degree program, the student may apply for an extension. For
Academic Policies

doctoral students, extension fees will apply. In cases where students have received transfer credits and/or degree extensions, all course credits applied toward degree requirements should be earned within ten years of completing the degree.

Students are considered inactive after a one-year absence from coursework and are normally required to submit reapplication materials before re-enrollment. This inactive period may be included in the degree time limits.

For a student who reenrolls after his courses have exceeded the standard degree time limits and are now ineligible to be applied to a degree, these courses will be shown on a separate transcript and will not be applied to the student’s GPA.

COURSE EXTENSIONS

Unless required earlier by the professor, all course assignments, term papers, and reports must be submitted by the deadline listed in the academic calendar for each campus. Extensions will be granted only for causes deemed adequate. A written request is required and must be approved by both the professor and the Academic Dean.

WITHDRAWAL

A student planning to withdraw from the seminary should report this in writing to the Registrar. For re-admission, the student is required to submit re-application materials before re-enrollment. This inactive period may be included in the degree time limits.

ACADEMIC PROBATION / DISMISSAL

A student who has a GPA under 2.6 for the baccalaureate degree may be placed on academic probation upon admission. The student is permitted to take RTS courses for 15 credit hours. After 15 credit hours, if the average GPA is below 2.0, the student is dismissed. After a period of one year, a student dismissed for academic reasons may apply for re-admission.

An RTS student whose GPA falls below 2.0 after completing 18 credit hours of coursework is placed on academic probation. The student is permitted to continue studies for an additional 15 credit hours. If the cumulative GPA remains below 2.0, the student is dismissed. After a period of one year, a student dismissed for academic reasons may apply for re-admission.

The Marriage and Family Therapy and Counseling curriculum includes clinical and ethical requirements. If the program directors judge that personal and/or ethical issues impair a student’s ability to function as a therapist, the student may be required to participate in psychological assessment or remedial therapy and/or may be dismissed from the program.

TRANSCRIPTS

Transcripts are released only upon receipt of a signed transcript request from the student. Upon graduation, the student receives a copy of the final transcript free of charge provided all accounts at the seminary have been settled. Additional copies are available for a fee. Copies of transcripts may take up to six business days to process.

Normally, the coursework, credits, and degree earned at RTS are transferable to other institutions; however, it is technically at the sole discretion of the receiving institution as to which of these will be accepted.

CLASS ATTENDANCE

Classroom attendance is for the glory of God and preparation for the gospel ministry. Students therefore are expected to attend class sessions. No student should absent himself from classes in order to fulfill requirements or responsibilities of other classes. Those with absences may be penalized at the discretion of the professor.
ACADEMIC POLICIES

PRIVACY OF STUDENT RECORDS

RTS maintains the security and confidentiality of student educational records. All student records are kept in locked rooms and in locked file cabinets. In addition, all transcripted information for current degree-seeking students is digitally “backed-up” at an off-site location.

Since RTS does not accept Title IV student loan monies, RTS is not bound by the Family Educational Rights and Privacy Act (FERPA). However, RTS’ confidentiality policies are generally consistent with FERPA. RTS policies are as follows:

A student may inspect and review his/her academic file and transcript after a written request has been made to the Registrar’s office. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. The Registrar will be present during this inspection and review.

If a student believes his/her academic file and/or transcript are inaccurate or misleading, the student may request to amend the file and/or transcript. The student should write the Registrar, clearly identifying the portion of the record that the student wishes to change and specifying what is inaccurate or misleading. If RTS decides not to amend, the student may use the student appeal process.

RTS will not disclose, without the student’s consent, personally identifiable information found in the student’s academic file or transcript, excepting legitimate educational interests and directory information.

Directory information includes, but is not limited to, name, address, telephone number, email, date and place of birth, spouse’s name, home state, previous schools attended, denomination and presbytery affiliation, grade level, dates of attendance, photo and photo of spouse, degree program, enrollment type (full-time, part-time), and degrees with date of graduation.

PLAGIARISM

Research papers require borrowing other people’s ideas and words. However, the source of such borrowing must be acknowledged properly so that your ideas are clearly distinguished from ideas that you borrowed. If the source is not acknowledged properly, your work is plagiarism. For an excellent summary on what constitutes plagiarism, see Kate L. Turabian, A Manual for Writers of Research Papers, Theses, and Dissertations (rev. by Wayne C. Booth, etc.; 7th ed.; Chicago: University of Chicago Press, 2007), pp. 77-80 (section 7.9).

Plagiarism includes word-for-word copying, lifting terms, restatement of someone’s argument or line of thought, etc.–all without acknowledgment of source. Plagiarism also includes giving a source partial credit when more is taken from that source than indicated.

Plagiarism, whether intentional or unintentional, is very serious. All plagiarism cases are referred to the Academic Dean for resolution. Consequences may include some of the following:

- repeat the assignment and receive a maximum of a D on the assignment
- receive an F on the assignment
- receive an F in the course
- expulsion from the seminary

STUDENT CONDUCT

Students are expected to conduct themselves at all times as mature believers. Exemplary Christian conduct should control our words and our actions, both public and private. In today’s technological environment our words can include texting, emails, social networking and blogging, in addition to our speech. Godly behavior, expected of all Christians, is especially required of those who are preparing themselves to become ministers of the Word or servants in the church. Classroom manners should also reflect this maturity. Students should be respectful of professors, attend all class periods, and hand in assignments on time. Classroom etiquette also includes
leaving cell phones turned off, refraining from surfing the Internet and laptop computer games and communicating to your neighbor during lectures.

Student conduct is under the supervision of the Dean of Students. The seminary reserves the right to dismiss any student whose conduct is found to be unsatisfactory on the basis of spiritual or moral principles found in the Scriptures. If desired, the student can appeal the dismissal according to the student appeals policy.

SEXUAL HARASSMENT

The seminary expects all members of its community to apply sanctified common sense and biblical principles to their relationships. It will not tolerate offensive or inappropriate sexual behavior and requires all faculty, staff and students to refrain from any action or conduct which could be viewed as sexual harassment. Any such harassment is contrary to and prohibited by seminary policy and will be considered grounds for disciplinary action. It should be noted that for academic purposes, some appropriate teaching and discussion of sexual information may occur, particularly in a counseling program; however, these discussions are necessary for the formation of a competent counselor or pastor and therefore does not constitute sexual harassment.

Unwelcome sexual advances, requests for sexual favors, and other offensive verbal or physical conduct of a sexual nature is expressly prohibited. Examples of prohibited conduct include but are not limited to lewd or sexually suggestive comments; off-color language or jokes of a sexual nature; verbal, graphic or physical conduct inappropriately relating to an individual’s gender; or any display of sexually explicit pictures, greeting cards, articles, books, magazines, photos, computer images or cartoons.

The seminary must have the cooperation of all faculty, staff and students in order to implement its sexual harassment policy. It is the individual’s responsibility to report immediately any incident which they believe to constitute sexual harassment. Even if they believe the act is isolated or infrequent, they should report it to the campus Dean of Students or President. The seminary will promptly investigate the situation and take whatever corrective action is necessary and appropriate. The seminary prohibits any retaliatory action against persons reporting conduct which is believed by the reporting individual to be in violation of this policy.

STUDENT COMPLAINTS AND APPEALS PROCESS

An appeals process exists to resolve any behavioral or academic problem that cannot otherwise be settled in a biblical manner and assures fairness to all parties concerned. This process is rarely needed and should only be used after all other means have been exhausted. For example, in academic matters that pertain to a class or a grade, the student should first work directly with the professor and/or Registrar. Concerning behavioral or community issues, the student should first consult with the Dean of Students.

If the matter cannot be resolved by the above means, the following appeals process exists:

1. The student should submit a written appeal to the Academic Dean regarding the issue. Depending on the issue, the Academic Dean may request input from the Faculty. The Academic Dean will render a written decision.

2. If the student is not satisfied with the decision of the Academic Dean, then the student may submit a subsequent written appeal to the campus President requesting a hearing. The campus President may or may not grant the request. If granted, the campus President will appoint an ad hoc committee that may consist of trustees, faculty, staff, and/or institutional officers to hear the case. This committee is authorized to meet with any or all concerned parties to resolve the issue and will render a written decision concerning the case.

3. The decision of the President or the ad hoc committee is considered final, subject only to review by the Executive Committee of the Board to affirm the appeals process was properly observed.
DISTANCE EDUCATION COURSES

RTS has a very robust Distance Education Department. The Department works with RTS professors to develop and facilitate many courses in the distance education (online) format. Physically, the RTS Distance Education Department is located on the RTS Charlotte campus. This Department serves both Global Education students and all residential students.

Global Education students are those who are primarily pursuing a degree of which most of the courses are taken through distance education. These students may take from 51% to 100% of either the MABS, MATS, or MAR degrees in the distance education format.

Distance education courses are also available to residential students. The percentage of distance education courses allowed for residential students varies per degree and is shown on p. 47. Most residential students take at least a few distance education courses.

TUITION AND FEES

For all tuition and fees, see the RTS web page: (www.rts.edu).

PAYMENT SCHEDULE

All tuition and fees for a semester are due the first day of class. Those who are depending on financial support from churches, organizations, individuals, etc. should be prepared to meet financial obligations when due, whether or not such funds have been received.

RTS assesses tuition, fees, and scholarships one week before courses begin. Students are given a two week “window” (one week before courses begin and one week after courses begin) in order to make payments via Self Service, in person at the campus business office, or establish a payment plan with the campus business manager. If the student does not make the payment or fill out a payment plan agreement form within this two week window, then the student’s courses will be dropped and charged applicable drop fees. If the student subsequently wants to add the courses and make a payment, he/she would then be assessed an add fee for each course. A late payment fee of 1% per month (12% annual) will be charged to students on the total outstanding balance at the end of each month regardless if a payment plan is in place.

AUDITORS

Regularly enrolled full-time students (12 hours or more), their spouses, and members of the seminary staff may audit classes without charge provided there is room in the class and they have registered with the Registrar. Others, provided there is room in the class, may audit courses after paying the required auditing fee.

Spouses of full-time students also qualify for special for-credit tuition benefits.

TUITION REFUND POLICY AND DROP/ADD FEE

Students who drop a course before the drop deadline will receive a full refund of tuition, less drop/add fees. Those who withdraw after the deadline will not receive any refund of tuition. Exceptions may be granted in extreme circumstances only through a written appeal to the business office or the Academic Dean.

A fee will be assessed for dropping a course, adding a course, or replacing one course with another unless the change originates with a faculty member or administrative official.

FINANCIAL AID

The Lord’s people subsidize every student’s education substantially. Tuition pays approximately one third of the actual cost of a student’s education, with the remainder covered by donations to the seminary. In addition, RTS has always maintained a generous financial aid program that may further subsidize a student’s education through scholarships and grants.

Students are requested to initiate the process of receiving financial aid by submitting a financial aid application annually to their home campus. Contact the Student Life Office or the Admissions Office on the campus you wish to attend for information about deadlines and forms.

The seminary considers the student to have the primary responsibility for financing his/her education and expects them to do whatever is possible to meet financial needs. This includes arranging support from church, ment either off or on campus.

Understanding that these sources do not always provide the necessary funding for the student, the seminary, in conjunction with the Lord’s people, has established various types of financial aid programs listed below.
FINANCIAL INFORMATION

FINANCIAL AID

CHURCH PARTNERSHIP PROGRAM

The Church Partnership Program fosters significant involvement of the student’s home church with the student and with the seminary. Though the student is always responsible for his financial commitments to the seminary, this innovative program provides tuition assistance to students through an agreement with a student’s home church to share in the student’s financial support. For details of this program, contact a campus admissions office.

WORK SCHOLARSHIPS

Scholarships must be applied for and normally are granted for 10 hours of work per week. Jobs include secretarial, clerical, computer services, library assistant, faculty assistant, bookstore, student services, maintenance and grounds, audio-visual, and facilities care.

BASIC TUITION ASSISTANCE

Full-time students having a high, unmet financial need, may apply for tuition assistance by submitting a financial aid application with their application for enrollment.

DEACON’S FUND

Those who need financial assistance beyond work-study and basic tuition assistance may apply for a Deacon’s Fund scholarship. These limited funds are awarded based on need. Awards are made in May for the following year.

PRESIDENTIAL SCHOLARSHIP

A limited number of awards are made each year by recommendation of the Scholarship Committee.

A student’s gifts for ministry and vocational goals are taken into consideration for these scholarships, in addition to financial need. These awards normally are given in May for the following year.

MINISTER’S FAMILY SCHOLARSHIP

Family members of ordained ministers may receive annual scholarship assistance for tuition.

CAMPUS MINISTRY SCHOLARSHIP

Applicants who have served on the staff of a campus ministry for a minimum of one year may receive a campus ministry scholarship. Written recommendation from the campus minister’s supervisor is required.

CHURCH AND FOUNDATION SCHOLARSHIPS

Several churches and foundations provide scholarship funds for those needing assistance. Some of these are given by recommendation of the seminary, and others must be applied for directly with the church or foundation. More information concerning these scholarships is available through the Dean of Students, or the Director of Admissions.

PARTNERSHIP AGREEMENTS

The seminary has entered into partnership agreements with several organizations, such as Reformed University Ministries, Cru, Campus Outreach, Young Life, and InterVarsity Christian Fellowship. Students involved in a particular ministry may ascertain from the Admissions Office whether the seminary has a partnership agreement with the organization providing special tuition assistance and whether the student meets the requirements of the agreement.
INTERNATIONAL STUDENT SCHOLARSHIPS

International students should have financial support provided in large part by the indigenous church or missionary society, with the seminary participating to a lesser degree. This arrangement allows for maximum accountability to the sending church or organization and efficient stewardship of the sending church’s resources and those of the seminary.

Therefore, applicants who show evidence of substantial support from their sending churches/organizations will be more likely to receive financial aid from the seminary. Due to the number of international students receiving financial aid from the seminary, it is unlikely that any student will be awarded financial aid beyond tuition costs alone.

To be considered for financial aid from the seminary, an Application for Financial Aid must be sent to the Office of Admissions along with an application for admission. The Admissions Office must receive international student scholarship applications no later than November 1. The Scholarship Committee will make scholarship award decisions by February 1 for those international students beginning their program the following fall semester. Those who are admitted to a degree program will be notified by letter whether or not financial assistance will be provided.

An international student who is awarded financial aid in his/her first year of study at the seminary may anticipate a similar award each subsequent year until the student’s academic program has been completed. However, every international student will be required each year to submit through the Dean of Students an application for financial aid by May 1.

EMPLOYMENT OPPORTUNITIES

Many employment opportunities in the community are readily available to students and their spouses. Job openings frequently are publicized, and assistance may be received from the Student Affairs Office.
