- A non-refundable advance payment of \$200.00 is due upon acceptance into a program at all campuses. This payment will be applied toward the tuition fee for the first semester.
- All tuition & fees for a semester are due the first day of class. However, a payment plan arrangement is available through the campus business manager. Those who are depending on financial support from churches, organizations, individuals, etc. should be prepared to meet financial obligations when due, whether or not such funds have been received.
- A late payment fee of 1% per month (12% annual) will be charged to students whose accounts are past due. Students will not be permitted to register for a new semester, graduate, or receive transcripts unless all financial obligations to the Seminary have been settled, including library debts.
