Syllabus

Title: Theological Classics for Pastoral Reflection
Teacher: Dr. Sean Michael Lucas

Course Description: This course will engage with several theological classics - from John Calvin, John Bunyan, Jonathan Edwards, and Princeton theologians - as a way of creating a venue for reflection on the pastoral task. As we think about issues of Christian nurture, conversion, and piety, students will gain conversation partners that will enable them to reflect meaningfully on their current ministry situations and to evaluate future ministry directions.

Required Reading:

On Calvin:
