Dear Friend of RTS,

RTS Orlando offers theological and ministry training, not just for future pastors and counselors, but to all Christian disciples who just want to go deeper.

Study under our gifted professors important course topics such as Evangelism, Missions, New Testament Greek, Old Testament Hebrew, Gospel, Hebrews to Revelation, The History of Early Christianity, the biographies of Reformed Pastors, Systematic Theology, Devotional Classics, the New Testament Canon, Judges to Esther, Pastoral Counseling, Foundations for Worship, Apologetics, Christian Encounters with Islam, Addictions, etc. You can take courses for credit, work towards a degree, or simply audit a class.

If you can’t take a class, come hear some of the great speakers, musicians and authors who will be visiting our campus this semester. Here’s your map for the fall.
