Examination (Final 30%):

There will be one final examination for this course covering the all lectures and readings from the course. The student should use the Lesson Questions to guide them in their preparation and study for the exam. The format for the final exam will be two long essay questions. The student will have two hours to complete the exam.

The final exam for this course is to be taken online in the Learning Management System (LMS). Please note that you will need to have a proctor for your exams. Your proctor can be anyone except a relative or current RTS Student. After clicking on the exam link you will be given detailed instructions about the exam. Please read these instructions carefully before entering the exam.

Conduct a thorough analysis of the Christian Education program at the church you currently attend, in 12-15 pages (12 pt. point and double spaced). See section titled "[Evaluation Instructions](#)" in this syllabus.

Reading Report (10%):

The student must complete all of the required reading. Reading assignments are broken down week by week within the LMS. As an assignment, the student will be asked to report the percentage of reading they have completed by submitting a reading report with their Name, Course Name, End date, and percentage of reading completed.

Mentor Report OR Course Application Paper (5%):

If you are enrolled in an **RTS Global** degree or certificate program, you are required to submit a mentor report at the end of the course. Every portion of the form (goals, summaries, assessments, and signatures) should be filled out completely by both the student and the mentor to receive full credit. You can download the Mentor Report form in your Canvas classroom.

If you are receiving your degree through another **RTS campus** (Orlando, Jackson, Charlotte, et. al.) or special student (e.g. from another seminary), you are asked to write a 200-word summary of how you perceive what you have learned in this course will fit into the objectives you have for your ministry, your educational goals, or other objectives you wish to achieve in life. Course Application Papers (CAP) that fall well-short of 200 words will receive a grade deduction.

Assignments:

Best practice for your time management is for you to submit all assignments at the end of the week in which they fall, using the upload links provided in the LMS. All work must be submitted by midnight of the course end date, per your course start letter. You are responsible for turning in all assignments on time; no late submissions are permitted.
